

## Innovation Services

### More innovation through research cooperation

Berlin is a leading research and technology location with close links between science and business. Here, everyone can find the expertise they need to strengthen their own competitiveness with innovations.

Attractive cooperation and support offers are available for all phases of product development.

**Berlin's science at a glance**

### What is part of the Innovation Service?

Whether a start-up or a global player: Almost every company can benefit in many ways from cooperation with universities and research institutions. Our experts support you in the new and continued development of products or processes – from project definition and the search for partners to financing.

### This is how we help you.

We help you find innovation with our matchmaking events and referral services. We network directly with potential partners and determine which funding and financing instruments at the state, federal, and EU level are suitable for your project. We discuss your plans for the project together and support you with trend and potential analyses. Berlin is a creative laboratory. We open it up for you.
